Sir,

Sub: Education - Fisheries School, Hadavinakone - Additional Teacher - Sanction of - Proposals.

****

The Fisheries School at Hadavinakone in South Kanara District is serving the needs of the fishermen of Shirur Village in Coondapur Taluk. The existing staff of this school is made up of one secondary grade and three higher elementary grade teachers. This staff of four teachers is now found to be inadequate to run the school efficiently as a result of the increase in the strength of the pupils of the school. The following table shows the class war strength and average attendance of the school for the four months ended September 1950:-

Standard.	Strength.				Average Attendance.			
	June.	July.	Aug.	Sep.	June.	July.	Aug.	Sep.
I	47	47	47	47	39	43	43	43
II	33	33	33	33	30	31	29	29
III	31	31	31	31	27	27	26	26
IV	24	24	24	24	21	21	21	21
V	21	21	21	21	19	17	18	18
Total..	156	156	156	156	136	139	137	137

From the above table, it may be seen that each standard requires o teacher to be in exclusive charge of it and besides, standard one to be bifurcated into two divisions. It is proposed to bifurcate standard one and keep one of its divisions and standard V in charg of one teacher for the present. By this arrangement, one more teac in addition to the existing four teachers will be required to run the school efficiently. The inspection officers of the Education Department also have remarked that the appointment of an additiona teacher is a pressing need of the school. In the circumstances stated above, I request that sanction of Government may kindly be accorded for the appointment of an additional teacher of higher elementary grade for one year from the date of appointment during the next academic year in the Madavanikone Fisheries School.

The financial implications of the above proposals are furn shed below:

Recurring:

Pay of one Higher Ele. Grade Teacher on Rs.30-1-50 for one year.	Rs. 360/-	
Dearness Allwance at Rs.19/- per mensem.	228/-	
	-----	588

Non-recurring:

Cost of one table and one chair.	40
Total Rs.	628
